

ARTSCYCLERY.com, the exclusive U.S. importer of **MarshGuard** products, is pleased to announce that it is now stocking the original MarshGuard fork fender in **5 new graphic colorways**. The new colors on offer are Blue, Green, Orange, Purple, and Red. Followers of UCI World Cup Downhill racing or the Enduro World Series are very familiar with MarshGuard's outstanding fork mounted mudguards. Designed by Greg Minnaar's World Cup DH mechanic, Jason Marsh, this simple and effective fender is lightweight at 32 grams and inexpensive at \$14.99 MSRP for the original white graphic version and \$16.99 MSRP for the new colorways. Any mountain bike that sees action in wet conditions deserves a MarshGuard, available for purchase now at **ARTSCYCLERY.com**.

ARTSCYCLERY.com is looking for U.S. independent bicycle dealers interested in stocking MarshGuard products. *Great margins and free shipping available*. Please email Brad Smith at **brad@artscyclery.com** or call **805.540.7993** for information.
